(c) What is the estimated cost of the sorting machine to be insalled in Bombay;

(d) what is the total cost of installing the above machines in cities;

(e) whether there is any guarantee period for the above machines;

(f) whether the maintenance of the above machine/machines will be done by departmental employees or contractor/ concern from which it is to be purchased; and

(g) the authority that will be given the work of programming of discs required in the machines;

THE DEPUTY MINISTER IN THE MINISTRY OF COMMUNICATIONS (SHRI P.V. RANGAYYA NAIDU): (a) It is targeted to instal automatic sorting machines at four places during the Eighth Five Year Plan.

(b) The country or countries from which the equipment will be bought would be decided in due course on the basis of global tenders. Machines for the Bombay project are being imported from Belgium.

(c) The cost of the sorting machines being installed at Bombay is approximately Rs. 9.8 crores on the basis of current exchange rates.

(d) Total cost of the project in a city including customs duty on equipment and other expenditure is estimated to be around Rs. 20 crores.

(e) Warranty period is one year from the date of acceptance of the machine.

(f) This being a sophisticated machine annual maintenance cannot be done by Departmental employees. Maintenance will be done either by supplier or by a specialised agency.

(g) Software is developed by the supplier as per the sorting programme decided upon by the Department.
